CAMP WHEREVER YOUR TRUCK CAN TAKE YOU

Just released in 2023, the Skinny Guy Model 5.0 GLR was designed specifically for the Jeep Gladiator. It has contoured sidewall lines to match the profile of the Gladiator and some sculpting to give it that Jeep character. Because the side walls are more vertical, this widens the bed for a more spacious feel on the inside. We are very excited to offer this model to the Jeep Gladiator owners out there looking for a fully equipped camping and overlanding solution!
